24 Peabody Way

Constructed around five years ago and being situated within this highly convenient location easily accessible to the centres of both Warwick and Leamington Spa, this four bedroomed detached family home offers accommodation arranged over three storeys and has been extended since its original construction. The resultant focal point of the accommodation is the fabulous extended open plan kitchen/dining and family space to the rear of the property which, as well as being fitted and presented to an exceptionally high standard, provides much sought after combined living space from which bi-fold doors provide a vista to the rear garden. The four excellent bedrooms arranged over the upper two storeys are complimented by en suite facilities to the master bedroom, whilst outside there is tandem parking for at least two cars, giving direct access to the garage and further enhanced by a re-landscaped rear garden. Overall this is a beautifully presented and stylishly fitted family home offering a host of pleasing features.

LOCATION

Peabody Way lies directly off Europa Way, this being a recent development ideally placed for access to Warwick, Leamington Spa, the M40 motorway and the Jaguar Land Rover and Aston Martin installations at Gaydon.
