

144 Coventry Road

Warwick CV34 5HL

Offers Over £550,000

144 Coventry Road

Occupying a substantial plot to the corner of Coventry Road and Nelson Lane, this individual detached property was constructed during the late 1960's and has been in the same ownership since it was built. Being offered for sale with the benefit of no onward chain, the gas centrally heated and UPVC double glazed accommodation includes a spacious 'L' shape lounge/dining room with triple aspect windows, whilst on the first floor there are three double bedrooms together with a family bathroom. Externally, there are generously proportioned gardens to both front and rear along with a double garage positioned with access off Nelson Lane and with a driveway immediately to the front of the garage providing off-road parking for two cars. Additionally, the house offers excellent scope and potential for up-dating to a purchaser's own specification and offering good potential for rear extension, subject to the appropriate consents. Overall this is an excellent opportunity to purchase an individual detached family residence within easy reach of both Warwick and Leamington Spa.

LOCATION

Coventry Road is one of the main thoroughfares into central Warwick, lying less than one mile from central Warwick itself and therefore being within easy reach of all town amenities including shops, independent retailers, restaurants and parks. Warwick Hospital is also located nearby with good local road links available to nearby Leamington Spa and a number of major routes serving neighbouring towns and centres and the Midland motorway network, notably the M40. Regular commuter rail services operate from both Warwick and Warwick Parkway stations.

ON THE GROUND FLOOR
