Situated within a highly popular location, close to well-regarded local schools and amenities, this classic double-bayed 1930's semi-detached house offers beautifully presented accommodation which has undergone stylish and thoughtful improvement by the present owner. Incorporating gas fired central heating together with replacement UPVC double glazed windows, the house still retains many of its original features including fireplaces to several rooms and original internal doors complete with bakelite door furniture. Other notable features include a hand painted bespoke fitted kitchen which is complemented by coordinating book casing and storage in the dining room, there also being a combined ground floor cloakroom and utility and modern first floor bathroom. Externally a lawned garden to the front has off-road parking alongside, whilst the excellent rear garden features a lovely timber terrace adjoining the rear of the house. The property also offers potential for extension, subject to appropriate consents.
