Harbury **CV33 9HR**

Guide Price £300,000

27 Mill Street

This end-terraced cottage has been extended to the rear and offers two double-bedroomed accommodation, whilst being conveniently situated close to amenities in the heart of Harbury village. Being attractively presented throughout and benefiting from gas fired central heating, along with replacement UPVC double glazing, the cottage offers comfortable accommodation including a spacious beamed lounge/dining room, kitchen with panelled style units, two good bedrooms and a modern first floor shower room. Externally, the rear garden is a particular feature of the property, as is the fact that the cottage benefits from a brick-built garage, in front of which a concrete hardstanding provides off-road parking for around two cars. This is an excellent opportunity to purchase an appealing home within a particularly sought after village.

LOCATION

Harbury lies around six miles south-east of central Leamington and around two miles from the nearby market town of Southam. The village is well known for its strong sense of community and has an excellent range of amenities at its heart including a well regarded primary school, village shops and public houses, a doctors' surgery and many social amenities. There are excellent local road links available including those to major routes, notably the M40, along with the Jaguar Land Rover and Aston Martin facilities at Gaydon. Regular commuter rail services operate from Leamington Spa to London and Birmingham amongst other destinations.
