& Biggs

Lamberts Lane, Congleton, CW12 4EP.

This newly constructed eco home built in 2022, is set within 8.17 acres of ground surrounded by open countryside and spectacular views, all within a tucked away location which is surprisingly close to Congleton Town. The Property is accessible via a single-track road over the Macclesfield canal, which is the sole access for the property and one other dwelling and stables. The approach is private with a lovely outlook as you arrive at the main house with its gated sweeping driveway providing plentiful parking.

This individual home has been constructed with an impressive contemporary design which is a contrast to your usual style equestrian property. There is a stable block with housing for up to four horses with the possibility to apply for more stables, if required and subject to obtaining approval. Planning permission has been granted for livery yard & menage, which is a fantastic opportunity for those looking for a business opportunity.

Accompanying the stables is approximately 8.17 acres of land with a natural pond which attracts local wildlife all framed by a picturesque countryside landscape. The exterior curtilage of the property remains unfinished, allowing purchasers to elect a design and choose their own materials. However, the interior of the property is completely finished to create a truly impressive home.

The interior is modern with its open plan design and high-end finish with additional design features such as pocket doors to the main bathroom, creating a sleek and modern design. You are immediately welcomed into a superb sized open plan living kitchen complete with underfloor heating to the entirety of the ground floor.

The kitchen is well designed and furnished with on trend units including a kitchen island with seating for three and luxurious Quartz worktops.

The high gloss curved design compliments the modern style of the home perfectly and is enhanced with feature lighting & quality integrated appliances. Serving the kitchen is a separate utility room with partial views over the adjacent golf course. For convenience there is a ground floor shower room located just off the utility, ideal for after cleaning up after outdoor pursuits.

The lounge is complemented and divided from the kitchen by an open plan glass and oak style staircase whilst still retaining that modern open plan feel. You can't help but to be drawn to the full-length windows and bi-folding doors which bring you full views over the accompanying land. Nestled by the modern wood burning stove, you can survey your grounds whilst watching the wonderful nature that living this particular lifestyle invites. Not only are you surrounded by nature you are on the cusp of woodland and Astbury Golf course as well as the Macclesfield canal & nearby Astbury Mere with its magnificent Cheshire scenery.

The first floor certainly creates an impact, with its open plan landing which exudes light via its Velux Skylights. The wood and glass galleried landing has a defined area perfectly designed to create an open plan study area. There are three double bedrooms with the main bedroom being the most impressive by virtue of size, design and its Juliette balcony, that not only creates a delightful outlook over the land and countryside horizon but floods the room with natural light. This room feels like you adjoin the outdoors with the full-length windows, glazed apex and patio doors which are a truly stunning design feature of this bedroom. This exceptional room also has the addition of an en-suite shower room.

The main luxurious bathroom has pocket doors and a modern free-standing bath with Velux skylight enabling you to gaze at the stars whilst you relax. Properties of this style within a countryside setting together with its accompanying land and stables really are a rarity.

This truly one-of-a-kind property offers a harmonious lifestyle for equestrians or those looking to live the country lifestyle with the convenience of town amenities nearby which included Rail travel less than 1.5 miles away. With some of the most picturesque Cheshire scenery and canal side walks around, exploring this beautiful location all on your doorstep is priceless, therefore we encourage not only a viewing of the house but also of the grounds and immediate area, to fully appreciate what a rare opportunity it is to own a property and land of this caliber.
