

Abbey Green Farm, Abbey Green Road, Leek, Staffordshire, ST13 8SA.  
Offers in the Region Of £1,350,000

# Abbey Green Farm, Leek, Staffordshire, ST13 8SA.

Abbey Green Farm is an impressive small holding which is ideal for those with Equestrian interests, being nestled within 8.48 acres of land. The property comprises of agricultural grassland, woodland, stone L-shaped barn with stabling, further stone detached haybarn, detached garage/workshop and the recent addition of further agricultural block and timber building, purposely built for equestrian use, having tack room and WC.

Ideally located on the outskirts of town, the property offers the convenience of schools and amenities, whilst retaining that desired privacy and rural setting. The four bedroom farmhouse has undergone a high specification restoration throughout and only quality fixtures and fittings have been used throughout the project. The property boasts three reception rooms, two ensuite shower rooms, bathroom, 31ft open plan kitchen/dining room and snug off. A useful utility room, cellar and the versatility of having two staircases, with one of the bedrooms having its own independent access to the first floor, with ensuite shower room and WC.

You're welcomed into the property via the entrance porch, then through to the hallway. The hallway provides access to the first floor and has a useful WC off. The open plan kitchen/dining room has a beautiful stone fireplace, having log burning stove and ample room for a dining table and chairs. The kitchen has a good range of fitted units to the base and eye level, island, granite worksurfaces, Miele integrated dishwasher, Belfast sink, inglenook with Everhot range style cooker, space for an American style fridge freezer and wine chiller. A snug area is located off the dining room, with media wall. A porch area is located to the rear of the property with a utility area housing the oil fired boiler, base units with plumbing and space for a washing machine. The living room has a cosy feel to it, having stone fireplace with log burning stove and exposed beams to the ceiling. The office is located to the front of property, but this sizeable space could easily be utilised as a further reception room, having inset wood burning stove, access to the cellar and bedroom four.

To the first floor, the property has built in storage and provides access to three bedrooms and the family bathroom. Bedroom two has stunning exposed timber to the walls and ceiling with ensuite off. Bedroom three could quite easily be reconfigured into two bedrooms, with a stud wall and additional access through the cupboard space, subject to any approvals required. The family bathroom has a walk in shower, panel bath, integral chrome fittings, his and hers wash hand basins.

Externally the property has a gated and walled access from Abbey Green Road. Located to the left of the driveway is a detached stone haybarn, which has two levels and is a potential residential development opportunity, subject to planning and building regulation approval. Further down the driveway is the farmhouse located to the right, with gardens to the front and side, detached garage/workshop in front and pond to the left hand side. A yard area beyond sits in front of the stone L-shaped barn, this could be utilised as stabling, or again is a potential residential development opportunity subject to the relevant approvals. A haybarn is located to the rear of the L-shaped barn with the recently built stabling behind, with concrete base, power, light, sink, tack room and WC. The paddocks are accessed behind the barns through an agricultural gate, with brick built livestock shelter and fenced boundaries.

A viewing is highly recommended to appreciate this stunning property, its desirable location, outlook and convenience to the town centre.

#### THE LAND

The property extends in total to approximately 8.48 acres (3.43 ha) as shown edged red on the attached plan, with the farm steading set on the eastern roadside boundary. To the south and west there are parcels of grassland extending to circa 4.61 acres of mixed grazing divided into various sized paddocks that are predominantly bound by a stockproof combination of mature hawthorn hedges externally and post and rail fencing internally. The land is predominantly classified as Grade 3/4 with loamy soils, lying at 177m above sea level and considered well suited to the grazing of horses and livestock and having a water supply.

On a hill above the farm steading to the west there is a small wooded copse extending to 1.64 acres.

#### RIGHTS OF WAY AND EASEMENTS

It is noted that a public footpath passes through the grassland parcels and leads to Bridge End. To the east of the property there is a network of footpaths leading towards Tittesworth Reservoir which are ideal for the outdoor enthusiast to explore and for equestrian parties there are quiet country lanes for outriding directly from the property.

The property is sold subject to and with the benefit of all rights of way whether public, private, rights of water, light, support, drainage, electricity and other rights and obligations, easements, quasi-easements, restrictive covenants and all existing and proposed wayleaves whether referred to or not.
