DESCRIPTION

The site area extends to approximately 0.63 of an acre (as shown edged red on the site plan) and constitutes the site of a former nursey with ranges of glass houses and polytunnels (not included with the sale of the land) associated with the retail garden centre that previously operated from this site.

In 2022 outline application SMD/2022/0344 granted outline consent for the erection of up to 4no. bungalows on the site with conditions and subsequently in 2024 a reserved matters application SMD/2024/0155 was submitted and approved concerning matters of scale, siting, appearance, landscaping and means of access, as per the requirements of Condition 3 of the outline consent (SMD/2022/0344).

The approved plans provide for the following:

Plot 1

Plot 1 will comprise of a rectangular shaped building, occupying a gross internal floor area of 99.60m², and whose accommodation will comprise of an entrance hallway, lounge, kitchen/diner, utility, three bedrooms (master with ensuite) and a family bathroom. Plot 1 will also be served by a detached single garage.

Plots 2 and 3

Plots 2 and 3 will comprise of a ‘T’ shaped building occupying a gross internal floor area of 120m², and whose accommodation will comprise of an entrance hallway, lounge, kitchen, dining room, utility, three bedrooms (master with ensuite) and a family bathroom. Both plots will also benefit from a detached double garage.

All three of the dwellings are to comprise of single storey bungalows not exceeding 5.3 metres in height, in accordance with the requirements of Conditions 9 and 19 of the outline consent (SMD/2022/0344).

All of the bungalows are to be constructed from facing brickwork with a pitched grey tiled roof atop and will have a large area of private amenity space to its rear, with a minimum of two off-street parking spaces also provided to serve each dwelling.

Vehicular access to the site will be direct off the adopted lane via a new access that will be shared with the farmhouse (which is to be retained by the seller) and shown shaded yellow on the site plan.
