New Street, Biddulph Moor, ST8 7NQ.

The views from this stone cottage are amazing, no matter the season. There's so much potential with this elevated plot together with a fantastic sized driveway that allows ample space for a caravan/motorhome. There are 2/3 bedrooms with so much potential to reconfigure to create a standard three-bedroom home. The ground floor also has the same potential to reconfigure and create an open plan kitchen. There is also an additional useful former coal store that could be converted. The main lounge has an open coal fire with a walk-in bay window with the most spectacular views, sunrises & sunsets. The ground floor bathroom is a fantastic size although in need of updating. As previously mentioned, the property can be reconfigured within its existing accommodation however, there is also scope to extend, if required & subject to approval. Externally there are wrap around gardens that take in those amazing views.
