## Situation

Lower Boddington is the smaller of two villages (Upper being the larger) that make up the parish of Boddington.

Lower Boddington is surrounded by beautiful countryside and is an exceptionally quiet and peaceful place to live. There are numerous bridleways and country walks to be found and if a canal-side walk appeals, then you will discover that on the road from Lower Boddington to Claydon.

The Carpenters Arms is a Hook Norton pub that has stood in the village for over a century and is at the heart of the village community.

A gentle stroll or short drive up Church Road will take you to Upper Boddington where you will find the local primary school; the C of E Church; the Plough Inn and the Village Hall.

The Village Hall offers a variety of activities for young and old and is the venue for many village social events throughout the year. It sits within the confines of the 'Charles Cowper' field which is available for all to use all year round. A recently installed cycle track is a superb addition to the facilities available to all local residents.

Your nearest local grocery shop is only five minutes' drive away in Byfield, where there is also a post office, doctors surgery, petrol station and other local amenities.

There are nursery schools and kindergartens in the neighbouring villages of Byfield and Chipping Warden both just five minutes' drive away, whilst there is also an excellent catholic Primary School in Aston-Le-Walls.

There are secondary schools in Middleton Cheney and Southam (with free school bus to and from the village for both) and a host of Independent Schools such as Princethorpe College, Warwick School, Rugby School and Bloxham School all within a 30 minute drive.
