There are regular trains from Banbury to London Marylebone (55 mins) and Birmingham Snow Hill (55 mins). Birmingham International airport is 42 miles away for UK, European and New York flights. Some very attractive countryside surrounds and many places of historical interest are within easy reach.

A floorplan has been prepared to show the dimensions and layout of the property as detailed below. Some of the main features are as follows:

* A mid terraced brick built three storey Victorian townhouse which we believe dates back to the late 19th Century.

* Features include high ceilings, fireplaces and exposed wood floors.

* On a practical level there are two reception rooms and three bedrooms as well as a spacious bathroom.

* There is a porch to the front and rear lobby to the rear adding to day to day convenience.

* Porch with exposed wood floor and door to the sitting room with large window to front, exposed wood floor, fireplace (currently boarded).

* Dining room with exposed wood floor and ornamental fireplace which is open to the kitchen where there is a range of modern base and eye level units incorporating a built-in oven, hob and extractor, glazed wall cabinets, plumbing for dishwasher and washing machine, wall mounted gas fired combination boiler, window to rear overlooking the garden, space for tumble dryer and fridge/freezer.

* Main double bedroom with exposed wood floor, window to front, wardrobe recess.

* Second double bedroom with window to front, exposed wood floor, built-in wardrobe/cupboard.

* Large single third bedroom with window to rear and exposed wood floor.

* Spacious bathroom fitted with a white suite comprising panelled bath with mixer taps and shower attachment, wash hand basin and WC, window.

* To the front there is a paved area with a useful timber storage area for wheelie bins.

* The rear garden is of a good size for a property of this type and includes a circular patterned paved patio with fitted adjacent bench seat, steps to a grassed area with shrubs alongside and two further steps lead to another grassy area where there is a greenhouse and shed. There is a reasonably new boundary fence and gate which opens to a shared pedestrian rear access.
