Ground Floor

A leaded glazed door opens into an entrance porch which provides space for coat hanging and shoe storage. A door to one side gives access to a downstairs cloakroom, fitted with a wash hand basin and WC. A further door leads into a welcoming hallway, which has original wooden parquet flooring, doors leading to the ground floor accommodation and an impressive dog leg staircase with original oak balustrade leading to the first floor. There is a continuation of the parquet flooring through to the spacious sitting room which has an attractive bay window with leaded glass and patio door, affording the room plenty of natural light and providing access and views over the delightful rear garden. The room has an abundance of original features with coving to ceiling, picture rail and ceiling rose, with the focal point being a decorative cast iron open fireplace with slate hearth. The generously sized dining room also enjoys views over the rear garden and boasts original features along with solid oak wooden flooring. A third reception room, with window to the side aspect, offers multiple uses, currently being used as a study/home office but could alternatively be used as a TV room/Playroom or second sitting room. The Kitchen/Breakfast room, with tiled flooring, has ample space to accommodate a table and chairs and is fitted with a range of light oak base and eye level units incorporating numerous cupboards and drawers, along with original, full height built-in pantry/larder cupboards. Appliances include a stainless-steel range cooker with extractor hood above and there is space for a full height fridge/freezer. Multi aspect windows flood the room with light. From the kitchen there are doors to a utility room, where there is space and plumbing for white goods, and the outside.

First Floor

A spacious first floor landing has doors leading to the four double bedrooms, family bathroom and two storage/airing cupboards. The master suite has solid wooden flooring, attractive ceiling cornices, a large bay window overlooking the rear garden and benefits from its own en-suite shower room, which is fitted with a shower enclosure, pedestal wash hand basin and WC. There are three further double bedrooms all of which are light and airy, with two benefitting from built-in cupboards. The family bathroom is fitted with a Victorian style white suite, comprising a roll top bath with claw feet, pedestal wash hand basin, WC, separate double shower enclosure with rainfall shower head and a Victorian style chrome heated towel rail. There is tiling to the floor and part tiling to the wall which has an attractive mosaic border.

Outside

To the front, the property is securely enclosed by a brick-built wall with electronically operated double steel framed, hardwood gates with intercom entry. A block paved driveway provides ample off-road parking, which extends to the side of the property where there is access to a covered car port, which in turn leads to the garage. A side gate provides access to the garden. The generous rear garden is mainly laid to lawn and has a distinct private feel, enclosed by hedging to both boundary edges and screened by trees to the rear. There are borders throughout the garden planted with a range of shrubs, flowers and herbaceous plants. Paved patio areas to the rear of the property and on the top lawn provide ideal spaces for outdoor seating. A pathway runs the length of the garden, to the rear of which is a glass greenhouse and raised brick-built flower beds, some of which are used for home growing vegetables. To the rear of the garage are brick-built outbuildings, one of which is a utility/washroom and the other a useful store.
