Plot 13, Woolston Green

Landscove, Ashburton, TQ13 7LZ

Woolston Green is a new development of 9 homes built to an extremely high standard throughout, using high quality materials. With eco credentials in mind, all the properties have air source heat pumps, EV charging points and solar panels are available as an optional extra. Each home will have a 10 year structural warranty provided by ICW.

Plot 13 is a detached, 3-bedroom home with large sitting room, modern open plan kitchen/dining room with doors leading to the garden. A cloakroom completes the ground floor. On the first floor are three bedrooms and a family bathroom. The master bedroom has an en-suite. Outside is allocated parking for 2 cars and front and rear gardens.

Services: Mains water and electric, drainage via treatment plant. Air source heat pump.

Woolston Green is located in the lovely village of Landscove, which has a thriving primary school, a church and a family-owned public house and is some four miles from the bustling medieval market town of Totnes, beside the River Dart. Totnes is the commercial centre for this part of Devon and in addition to it's market there is a good selection of local shops, supermarkets, restaurants and inns. Totnes has a mainline railway station giving direct communications with London, whilst the A38 Devon Expressway, is some 10 minutes from the property, so gives fast access to Plymouth and Exeter where it joins the M5 Motorway. Schooling in the area is excellent, with a number of well-regarded primary and secondary schools close by.

KEY FEATURES

- High quality development of 9 homes
- 2,3- and 4-bedroom homes available
- Eco-credentials including air source heat pump, EV charging, solar panels as an optional extra
- Village location
- 10 year new build warranty
