DOVECOTE HOUSE

An exceptionally appealing village house of appreciable character in a large, sheltered garden with a private south aspect to the village Main Street offering a wonderful period home with a wealth of original features. Dovecote House comprises a principle four-bedroom family home together with a unique and fascinating Grade II listed Dovecote with considerable potential for conversion, subjected to Listed Building Considerations. The property is understood to have 18th century origins and was 'gentrified' around the turn of the last century with alterations in the Arts and Crafts style, including the addition of leaded windows, fireplaces of this era and a prominent gabled central entrance.

Dovecote House is unquestionably one of Woodborough's landmark properties fronting Main Street and has been a much-loved long-term home for the present owners who are in many ways moving reluctantly to pastures new. Internal inspection of this wonderful home which has been maintained with an admirable regard for the original character and style of the property, is earnestly recommended.

WOODBOROUGH

Woodborough is a highly regarded village set in relatively unspoilt undulating Nottinghamshire countryside some seven miles, or so to the northeast of Nottingham. The village offers a useful range of amenities - which include two village inns, a village hall, a tennis club, an 'active' church, a village store - post office, health club and a popular primary school.

Close to hand there are more extensive amenities and professional services in Arnold and on Mapperley Plains and from the village there is direct road access across Mapperley Plains into Nottingham centre.

In turn, the surrounding regional centres of Southwell, Newark on Trent (with fast main line rail access into London Kings Cross), Mansfield and Grantham (with A1 connection southbound) are readily accessible from the house - as is the M1 Motorway network and the East Midlands Airport.

In recent years A46 dual carriageway road improvements, which effectively link Lincoln to Leicester and the M1 Motorway (S), have improved commuting convenience from Woodborough (via the East Bridgford junction) to surrounding population centres. The village is very much on the map for the commuter seeking a rural village lifestyle, whilst remaining conveniently placed for daily traveling.

EXTENSIVE SHELTERED COUNTRY GARDENS

Dovecote House enjoys a sheltered and attractive country garden setting set well back and elevated from the street scene behind a long-walled frontage with coniferous screening and two oak hand gates leading up to the property itself. A central crazy paved stone path connects to an upper-level south facing brick and stone ornamental courtyard defined by mature box hedging and topiary with a stepped access to the imposing Arts and Crafts design gabled formal entrance.

The front garden also features densely stocked beds and borders, producing creating colour and structure to this most appealing and expansive lawns.

To the rear of Dovecote House will be found a sheltered courtyard garden which lends great charm to setting and connects to an upper orchard and kitchen garden with a Victorian style greenhouse; screened by willow fencing, this is a tranquil and picturesque part of the garden and offers a delightful relaxation area, capturing the afternoon and late day sun.

A rear vehicular right of way affords potential to create ancillary parking space in the upper garden if required.

THE GRADE II LISTED DOVECOTE

The building from which Dovecote House derives its name...

This fascinating period building is something of an architectural gem hence it's Grade II Listing and offers scope subject to well considered and sensitive planning considerations and Listed Building approval for conversion/integration into additional living space for home office working, a small separate annex or similar arrangement.

The dovecote incorporates an entrance area serving as a bicycle store, a remarkable dovecote loft with original exposed timbers and brick work including the nesting boxes and a attic room across the central loft landing, together with lower level ancillary stores, all of which are highlighted below.

Lean To Mono-pitch Outbuildings

Comprising a potting shed – garden workshop and a former laundry wash house with a sandstone trough and stone sink, these extremely useful ancillary buildings can be accessed directly from the rear orchard /kitchen and cut flower garden or through the dovecote to which they abut.

Attic Room, Two Former Loose Box Stables, Separate General-Purpose Store

PLANNING CONSENT CART SHED GARAGE – WITH VILLAGE MAIN STREET ACCESS

Gedling Borough Council Erection of double garage and new access to Main Street (renewal of planning permission 2015/1395)

The sellers have obtained Planning Consent for a new vehicular access and garage structure on the south /west side of the house, which in our opinion is an important and valuable complimentary planning permission for interested parties to implement in due course if so desired.
