HILL FARM COTTAGE

Hill Farm Cottage is a rather special three double bedroom detached country cottage, understood to be of early 20th Century origins, recently refurbished and restored to a remarkably high specification, offering a stunning home of a centre gabled design, with solid brick elevations beneath a replacement tiled roof. The external elevations are further enhanced by newly installed high grade heritage design Upvc windows.

The sale of Hill Farm Cottage offers a rare and exciting opportunity to acquire a charming period house in a beautiful setting, outside the main built-up settlement of the village, surrounded by some of the most attractive countryside in the area, whilst being accessible to Southwell and Lowdham amenities and schooling.

The property enjoys a uniquely appealing setting in a rural landscape and the use of the access road, which is also a bridleway, is limited in the main to residents of the estate roads and the farming fraternity. The present owners have completed the project to a standard which displays an immense regard for the character and style of the property, whilst introducing a contemporary cutting edge with features including a wonderful country kitchen of an English Shaker design, a high grade bathroom and a separate shower room, a well-considered electrical specification and a new central heating system (oil fired) circulating to a combination of radiators and underfloor at ground level.

Offered with the benefit of early and immediate vacant possession upon completion this extremely desirable country property represents a first class opportunity to acquire a delightful home ready for occupation in the countryside.

THURGARTON

Thurgarton is a highly regarded village settlement located in the Trent Valley midway between the Minster town of Southwell and Lowdham, and accessible to the regional centres of Nottingham, Newark on Trent and Mansfield.

The village offers many of the essentials of 'village life' – a picturesque cricket pitch within the grounds of Thurgarton Priory, St Peters Church, excellent local walks and a public house and dining destination, The Red Lion. There is a direct road-rail access along the Trent Valley into Nottingham centre and bus collection points for the Nottingham High Schools.

The thriving Minster town of Southwell offers a wider range of retail amenities, professional services and sports centre, and Southwell schooling is of a renowned standard across the age ranges.

The village is served by highly regarded junior schooling in the neighbouring village of Bleasby.

The larger market town of Newark on Trent offers a more extensive range of retail amenities, professional services, restaurants, and leisure facilities including a sport centre and marina. From Newark there is direct access to the A1 national road network and a fast direct rail link into London Kings Cross in a scheduled journey time of 80/85 minutes.

Fast London Main Line Rail Service

London commuters will be attracted to the convenient direct rail service from Newark Northgate Station into London Kings Cross in a scheduled journey time of 80/85 minutes.

LARGE COUNTRY GARDEN

A particular feature of the sale of Hill Farm Cottage is the large country garden which borders to arable farmland; the overall sale area extends to 0.44 Acres or thereabouts.

The property has a long frontage to a private farm estate road, which is in practice a rural extension to Priory Road running out from the centre of the village, accessed through a secure electronically controlled gated entrance.

A railing fence with new beech hedge planting and a run of dense hedgerow defines the frontage, with a recently fitted five bar field gate and hand gate opening on to a large gravel court providing extensive standing.

A large flagstone terrace offers a delightful alfresco/relaxation area opening out from the kitchen/day room. The garden is sheltered by a belt of mature trees and light woodland within and beyond the boundary lines and has recently been seeded in preparation for further landscaping and garden design ideas to be implemented.
