EVERGREEN BARN

A rather special period barn conversion in a small grouping of three individual homes, close to the centre of a highly regarded village, offering a stunning home of appreciable character, presented to a high standard, with an excellent specification incorporating sustainable features including air source heating circulating underfloor and high-grade sealed unit double glazing.

The property features an incredibly versatile internal layout with scope to accommodate inter-generational or blended family requirements and home working with considerable ease, there being four bedrooms on the first floor, a fifth ground floor bedroom arrangement and an independent residential suite (the hayloft above the garage)

HALAM

Halam is a small and relatively unspoilt village, lying northwest of the thriving Minster town of Southwell in attractive rolling Nottinghamshire countryside. Within Halam itself there is a small junior school, historic church, village hall and a public house, The Waggon at Halam – the essential ingredients of a traditional village lifestyle.

The village enjoys a strategically convenient location for travelling to Nottingham city centre and neighbouring principal population centres of Newark on Trent and Mansfield. The thriving Minster town of Southwell offers a wider range of retail amenities, professional services and sports and leisure centre, and Southwell schooling is of a renowned standard for pupils across the age ranges.

The larger market town of Newark on Trent, offers a more extensive range of retail amenities, professional services, restaurants and leisure facilities including a sport centre and marina.

Fast East Coast Main Line Rail Service

From Newark there is direct access to the A1 national road network and a fast direct rail link into London Kings Cross in a scheduled journey time of 80/85 minutes.
