MANOR FARMHOUSE

An excellent example of a village farmhouse offering a first-class family home (semi-detached) of appreciable character, within the heart of a highly regarded Vale of Belvoir village, with convenient direct access to Grantham schooling and amenities, Nottingham and Bingham; in our opinion a 'gem' of a country property which merits internal inspection.

Manor Farmhouse is a fine and substantial four/five-bedroom period home in a delightful setting with special reference made to the extensive orchard grounds/grass meadow complimenting this charming home.

The property offers an interior layout of appreciable character, with three reception rooms, and a classical country kitchen with a connecting larder-pantry and utility room.

The first-floor features four generous family bedrooms and two bathrooms with flexible access from a primary and secondary staircase.

Vehicular access leads to a parking / vehicle court and with a useful range of traditional brick outbuildings, beyond which are the extensive country gardens.

Internal inspection is highly recommended to appreciate the authentic period character and charm of this delightful home.

MUSTON

Muston is a delightful Vale of Belvoir village on the Nottinghamshire-Leicestershire border with a useful range of amenities and schooling close to hand in the neighbouring village of Bottesford.

The market towns of Bingham, Newark on Trent, Melton Mowbray and Grantham are all accessible from the village and a few miles to the east is a direct connection to the A1 national road network. The main regional centres of Nottingham and Leicester are within easy reach of Muston.

There is convenient access to Nottinghamshire schooling across the age ranges alongside the Lincolnshire grammar schools.

The village has an ancient church and there are numerous picturesque local walks available in the surrounding Vale of Belvoir countryside.

A direct main line rail service from Grantham into London Kings Cross ensures a swift commuting option for London and the south of England.

REAR COURTYARD AND COUNTRY GARDENS

There is a sheltered farmhouse courtyard to the rear of the property featuring a paved inner courtyard area with pathways extending to the vehicle court and outer terrace.

Single Storey Outbuildings

There is a range of single storey outbuildings ideal for general purpose storage and separate log/fuel storage. Complemented by a further large garden brick-built implement store with timber doors.

Stone stepped access from the rear courtyard links to a flagstone patio - alfresco relaxation and seating area ideal for barbecues and social outdoor entertaining. This attractive patio area is relieved by a raised water garden and a stone trough garden planter.

Car Parking Space

Double timber gates open from the village Main Street into a concrete courtyard/parking area offering useful hardstanding space and room for the erection of a garage structure if required.

Beyond the driveway there is a further sheltered seating area contained within a densely stocked shrubbery garden which links to a gently sloping grassed area rising to the main country garden. The sloping grass rise leads through a gladed walkway incorporating a specimen yew tree, to the upper orchard area, and grass meadow/country garden beyond.

Useful enclosed chicken run. Kitchen garden, greenhouse and garden shed.

The garden is protected by established trees and hedgerows bordering to open countryside in the main and to two neighbouring poultry sheds on the nearby farm.
