An entrance porch leads through to a welcoming hallway with a guest cloakroom and under stair storage. Double doors open up to a generous lounge with an adjoining dining room with access to the garden. Off the dining room is a superb kitchen that is also accessible via the hallway, with the added benefit of a utility space. The kitchen features a range of fitted units providing ample storage space, with integrated appliances and room for an American fridge freezer. A front aspect study completes the ground floor, with four well-appointed bedrooms and two bathrooms (one en-suite) to the first floor.

This property has planning in place for a double storey side and a single storey rear extension, with conversion of roof to habitable accommodation involving a rear dormer, two side roof lights and amendments to fenestration. Full details can be found online using reference 77192/APP/2022/1108.

Further benefits include a well-maintained rear garden that is part lawn and part patio, with off-street parking for multiple cars to the front. The front of the property is set behind mature, tall hedges that provide a sense of privacy, with a manicured lawn and shrubs. There is a double garage located to the rear, with access from the garden also, ideal for additional storage if required.
