Available for the first time in nearly 50 years, this beautiful and rarely available Grade II listed property in need of modernisation offers a wonderful blend of historic charm and potential to create a fantastic family home, all nestled in a rural village location. Outside, the views over Oxfordshire countryside offer a serene backdrop for outdoor relaxation.

SITUATION

The property sits in the heart of Stoke Row Village, whilst also enjoying a secluded and private location. Well-regarded restaurants, schools and excellent transport links are also within easy reach.

THE PROPERTY

Old Farm House is a handsome brick and flint home offering a wealth of period features in a unique setting. There is existing planning consent (under application P23/S1890/FUL) for a pool house to the rear of the property with the potential to amend this to residential use (STPP). The land and stables are currently in equestrian use and offer the opportunity for improvement and extension to include a modern stable block and manège or use as a smallholding.

The property also benefits from a two-bedroom residential annexe - suitable for guest or staff accommodation - set over a large garage, with the opportunity to extend the residential element into the ground floor.

Tennis courts and further garden grounds bring additional opportunities to take advantage of English country life, all within easy reach of London and beyond.

ACCESS

Access to the Property is gained via Cox's Lane through a set of brick and flint gate piers and over the private driveway. The land and stables are accessed via a separate independent track directly off Main Street.
