

**Mynachdy'r Graig, Blaenplwyf**  
**Aberystwyth Ceredigion SY23 4DP**  
**Guide price £595,000**

**Enjoying unrivalled sea views,** over Cardigan Bay, a fully modernised 5 bedrooomed farmhouse with former wash house situated on the popular coastal path.

The property is approached over approximately a mile of shared farm track. A 4 Wheel drive would be needed in inclement weather The views from this property are breathtaking.

The farm house has been fully modernised to a high standard.

Mynachdy'r Graig was previously a working farm and most of the outbuildings (except the former wash house) and the surrounding land are now in the ownership of the National Trust.

The farmhouse has been modernised to a high standard which prospective purchasers will appreciate during their inspection. Many original features have been retained such as the original Inglenook fireplace and exposed stone walls. There are 5 bedrooms on the first floor and externally in addition to the vehicular hard standing and the elevated patio, a traditional former wash house and general purpose utility building are included in the sale.

The name 'Mynachty'r Graig' means 'Monks Rock' and we are lead to believe that the historic property was once owned by the 'Cistercian Abbey of Strata Florida' and this grange was part of their estate.

Mynachty'r Graig is situated some 6 miles or so due south of the university and market town of Aberystwyth. As the crow fly's and along the coastal path which is in front of the property, Aberystwyth is itself is not visible from Mynachty'r Graig although there are views over the Llyn Peninsula and down the coast towards Aberaeron, New Quay and beyond.

Local amenities are available at the near by villages of Llanrhystud and Blaenplwyf to include post office/ general stores, public house and primary school. The Georgian harbour town of Aberaeron (visible from Mynachty'r Graig) is some 12 miles or so travelling distance to the south.
