LOCATION

Brookfield is set in a "tucked away" position close to the heart of the popular village of Ideford. Ideford is a pretty and conveniently positioned village surrounded by lovely rolling countryside. The village itself sits below Ideford common and the Little Haldon Hills, where there is also an 18 hole golf course. The village has a strong sense of community and local facilities include a popular public house, The Royal Oak, and the village hall. There is also St Marys church and the village green. The neighbouring village of Luton has a popular pub and eatery, The Elizabethan Inn. Despite the pretty and quiet, rural surroundings, the location offers quick access to major roads, with the A380 to Newton Abbot and Exeter under a mile away, and the A38 accessible around 3 miles away at Chudleigh. The coastal town of Teignmouth is just over 4 miles away with its promenade, sandy beaches and good selection of Independent cafes, shops and restaurants as well as boating opportunities on the Teign Estuary. The nearby town of Chudleigh also has various shops, a small supermarket and secondary education is just over 4 miles away at well-regarded Teign school in Kingsteignton. The county town of Exeter is around 12 miles away, accessible via fast roads and with a comprehensive range of facilities, fine dining, the Princesshay shopping centre, a red brick university and an International airport.
