Location

The village of Birchington is located on the North Kent coast and comprises of four main bays from Minnis Bay in the west through to Epple Bay at the eastern most end. Whilst it is classified as a village in reality, in terms of amenities, Birchington is much more a town. A vibrant bustling high street comprising small independent retailers alongside high street supermarkets, a library, restaurants and pubs means that everything is available on hand. A mainline railway station provides train services to London in approximately 90 minutes whilst the cathedral city of Canterbury is just 10 miles to the West and the main A299 trunk road is only 2 miles distant. The Isle of Thanet has long been a holiday destination and as such there are a wide variety of recreational facilities; whether your interest is water sports, golf, walking or historic places of interest, they all lie within easy reach.
