

An aerial photograph of a large, mostly green field. In the center, there is a rectangular area that has been cleared or is a different type of soil, appearing brown. To the right of this brown area, there is a small, dark-colored building or shed. The field is surrounded by trees and a road at the bottom. In the top left corner, there is a dark blue square with the letters 'SW' in a gold, cursive font, and the text 'Sims Williams' below it.

The ground floor is to comprise a reception hall, ground floor cloakroom and a triple aspect lounge/dining room which opens onto the gardens. The kitchen leads off the dining room and there is a separate utility room.

There are 4 bedrooms, 2 having en suite facilities one being on the ground floor. There is also a family bathroom.

The gardens will enjoy views over farmland with an ecology 'buffer' to the front. There will be ample parking and a single car port.
