An attractive period one bedroom terraced cottage in immaculate order throughout, located in a quiet road, in the heart of Arundel Old Town and within walking distance to shops and mainline station.

Entering into the property, the ground floor comprises sitting room with feature fireplace and built in cupboard.

The galley style kitchen is part tiled with fitted eye and base level cupboards and drawers, integrated oven and hob, sink and drainer. There is a window overlooking the rear garden and a stable door leading out to the garden.

The first floor has a double bedroom with a window over looking the Arundel stables, feature fireplace and hanging clothes space.

The shower room is part tiled with white suite comprising shower, sink and W.C. There is an airing cupboard on the landing which houses a water tank and laundry storage.

The rear courtyard is ideal for alfresco dining and is hard landscaped for ease with a raised planting bed. There is a brick built store with door and window for natural light, which perhaps could be turned into a small office space or hobby room.
