Bryan Bishop and Partners are proud to present this four bedroom detached family home, situated on the outskirts of Codicote. Having undergone extensive renovations, this home is ready for a family to move in and benefitting from uninterrupted views over the orchard opposite.

The front of the house has been recently rendered and has a driveway for 2 cars, which leads into a large double garage for further off street parking. Upon entering the property there is a W/C conveniently tucked in the corner. Upon entering the main house from the porch you get a feel for just how open, light and modern the property is. The living room and dining area form a big open plan space with a fantastic aspect, looking out both the front and rear of the property. The kitchen is adjacent to the dining area, this too overlooks the garden and is laid out in a galley style, which also benefits from a conveniently positioned utility room, which also has garden access. At the end of the kitchen is a spacious garden room, to offer an additional, closed off living space from the rest of the ground floor.

The first floor comprises a spacious landing, airing cupboard, one single bedroom, three doubles, and a fantastic modern family bathroom, complete with separate bath and shower.

To the exterior of the property there is a rear garden with spacious patio, lawn area and raised bed. At the front is a driveway and garden complete with lawn, rose beds and privacy hedge.
