An outstanding and truly unique barn conversion occupying a 'tucked away' position just off the idyllic village green.

The large country dwelling - part of which at present forms a superb annexe - has been renovated and improved over the years by the current owners to the highest of standards.

The annexe would provide terrific multi-generational or independent family living if desired. Alternatively, these spacious rooms could simply be incorporated as part of the house providing, for example, a gym, cinema room, study, teenage den, or alternatively as work space for example an office, studio, meditation room, nanny/guest suite or possibly potential rental accommodation etc.

These configurations can be customised to suit any potential buyers specific criteria.

The property is formed as a series of low lying barns And is arranged around charming courtyard gardens. The main house has ample indoor and outdoor entertainment spaces.

The beautiful private garden boasts a home office (fully connected/ integrated to WiFi / internet)

There are several terraces and patios to enjoy the sun throughout the day.

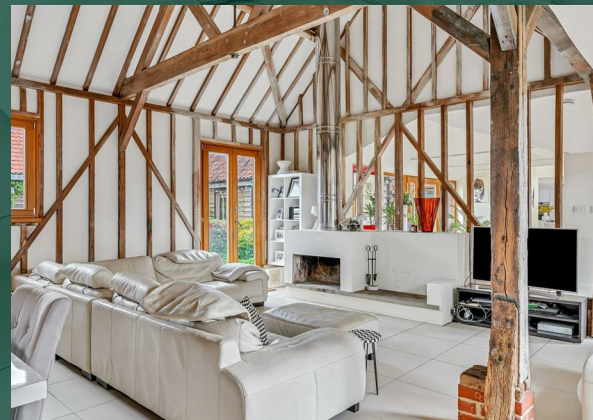

The annexe boasts a wonderful large garden with additional parking.

A one of a kind house in a wonderfully peaceful setting and location

This unique property must be viewed to really be appreciated.
