DESCRIPTION

Rose Cottage is a Grade II listed character cottage that has been retained, including exposed beams and inglenook fireplaces.

The porch leads through to the reception room with central staircase providing a divide to make separate sitting and dining areas. The sitting area includes an inglenook brick fireplace housing a central electric fireplace and window seat, whilst the dining area opens through to the double aspect kitchen. Recently replaced, the kitchen includes a range of shaker style units, oak work surfaces and tiled splashback. Two steps lead to the utility with a further range of units and door opening to the conservatory with double doors to the garden and enjoying far-reaching views. A door leads to the triple aspect principal bedroom with en-suite shower room and double doors to the garden. To the first floor is the landing with airing cupboard, a good size double bedroom, a further bedroom and family bathroom.

Accessed along the A377, a gravel drive leads to the parking area. Adjacent to the road is a variety of mature hedges providing excellent privacy and screening. From the parking area, three steps lead to a level area of lawn. Adjoining the conservatory is a patio with path leading to a further garden with lawn, patio, mature shrubs and pedestrian gate opening to the front. Outbuilding with exposed stone. Situated in a block approached via a small lane opposite the cottage is the garage.
