DESCRIPTION

Polford Cottage is a beautifully presented Grade II Listed detached cottage set in landscaped grounds approaching one acre. The Listed Buildings notes suggest it dates from the late 18th Century. Of rendered cob and stone elevations beneath a thatched roof, it offers an abundance of character features including original fireplaces and many exposed ceiling beams. In addition to the main property and accessed via a separate entranceway, is a single storey annexe.

ACCOMMODATION

A covered porch with pitched slate roof leads to an entrance hall with slate flooring and doors to the principal living rooms. The sitting room has a wonderful feature stone fireplace with oak lintel, bread oven and fitted cupboard. The dining room has another original fireplace with bread oven and exposed stonework, ornate ceiling beams and stairs rising to the first floor. To the rear of the property, the owners have created a wonderful farmhouse-style kitchen/family room. This is comprehensively fitted with a matching range of eye and base level units with a Belfast sink and central island unit. There is also a recess for a range-style cooker. The kitchen is open plan to the part-glazed family room which has ample space for dining table and chairs as well as French doors to the garden. Off the kitchen is a useful utility room with storage cupboards, sink and space with plumbing for a washing machine. An inner hallway from the kitchen leads to the study and ground floor bathroom with Victorian-style roll top bath, separate walk-in shower and wc and a further door to the garden. On the first floor are four bedrooms and a family bathroom.

ANNEXE

Accessed via a separate entranceway is a detached single storey annexe with useful first floor storage area. It comprises open plan sitting room/kitchen as well as bedroom and bathroom. Subject to relevant planning permissions, the annexe holds potential for successful holiday letting, or short term letting.

GARDENS

To the front of the main cottage is a parking bay for two vehicles accessed directly from the lane with steps leading down through the front gardens to the front door. Beyond this the main driveway sweeps down to the large parking and turning area at the side of the cottage. To the right of this is a grass bank hedgerow which borders farmland. The front garden is laid mainly to lawn and interspersed by shrubs, trees and flowers. The majority of the grounds, which approach an acre, lie to the rear with level lawned areas that are well stocked with mature hedging, shrub beds and trees. A wooden bridge leads over a small stream to a wild meadow.

SERVICES

Mains water, mains electricity. Private drainage (sewage treatment plant). Oil-fired central heating.
