DESCRIPTION

Greenawell Close was built about 40 years ago at the edge of the beautiful Dartmoor village of North Bovey. No. 3 is a well maintained block built family home with large double glazed windows letting in plenty of natural light, spacious living areas including a conservatory with lovely views, a sitting room with fireplace and a dining room with a door to the south-west facing garden. All the bedrooms are double size and there is a modern bathroom. The house is well presented, as is the large garden which is level and has beautiful views to the surrounding Dartmoor countryside. There is a single parking space in front of the single garage which has an electric door. The property is wonderfully private and not overlooked.

ACCOMMODATION

A path from the driveway leads to an entrance hall with doors to a ground floor WC, integral garage, dining room and stairs to the first floor. The dining room has a UPVC door leading to the garden, large storage cupboard and an archway leading to the kitchen. The kitchen is fitted with white base and wall cabinets with matching roll top worktops incorporating a propane gas hob, sink, blue tiled splashbacks, a built in eye level electric double oven and grill and space for a dishwasher and under counter fridge. A UPVC double glazed window looks out to the garden and the floor is vinyl. The triple aspect sitting room has a brick chimney breast with open flue and Jetmaster grate, a Tavistock slate hearth and double doors to the conservatory. The double glazed conservatory has doors leading to the garden and beautiful views over the surrounding countryside. This room is used year round. Stairs from the entrance hall leading to a landing off which are three double bedrooms, all with fitted cupboards, and a family bathroom.

GARDENS

This is a generous south-west facing garden with beautiful views across the countryside to the Parish church tower and to the woods. It is mostly laid to lawn with raised stone planters stocked with flowering plants and shrubs and natural ferns. There are two ornamental ponds and the garden is bounded by close boarded fencing or fencing panels. There is a timber shed and, out of sight at the side of the house, is a concealed double bunded oil tank.

GARAGE

The garage has power and light, the floor mounted Eurostar oil fired central heating boiler, an electric roller shutter door with a remote control and space for the washing machine and a freezer.
