**ACCOMMODATION**

A few steps from the driveway lead to a covered porch and into a central hallway with engineered oak flooring and stairs to the first floor. To the left is a spacious sitting room with two southwest-facing garden windows and a contemporary wood-burning stove. To the right, a study or library enjoys a large bay window with views of the front garden. Further along the hall is the principal bedroom, complete with an en-suite shower room, dressing room, and a bay window that captures the morning sun. At the rear, the hallway opens into a striking open-plan kitchen, dining, and lounge area. The kitchen features hand-painted Harvey Jones units, quartz composite worktops, integrated appliances, and a bay window breakfast nook. This flows into a bright dining space with an atrium-style ceiling and on to the lounge, which has large windows and French doors opening onto the garden and terrace. A side door from the kitchen leads to a lobby, utility room, and internal access to the integral garage. Off the lounge is a ground floor bedroom with French doors to the garden and a fitted wardrobe. Upstairs, a spacious landing leads to three further bedrooms and a modern family shower room.

**GARDENS**

A picket fence and gate lead to the front porch, with granite steps rising from the gravelled driveway. The front garden features raised borders behind low granite walls. The driveway offers parking for 6–7 cars, plus a cobbled bay in front of the integral garage. Paths run along both sides of the house.
