DESCRIPTION

This exceptional four-storey townhouse, offering approximately 3,000 sq ft of beautifully presented accommodation, is located in the heart of St. Leonards. Thoughtfully extended and extensively improved by the current owners, the property has been finished to an outstanding standard throughout. A particular highlight is the stunning open-plan kitchen/dining/family room, designed for modern living and ideal for both entertaining and everyday family life. ACCOMMODATION

Upon entering through the wooden front door, you are welcomed into a spacious and inviting entrance hallway. To the right lies a beautifully proportioned sitting room, featuring a large bay window, an open fireplace with a striking surround, and elegant stripped wooden flooring that continues throughout much of the ground floor. Further along the hallway is a convenient cloakroom/WC and access to the stunning, extended kitchen/dining room. This impressive space has been thoughtfully designed with an extensive range of cabinetry, generous worktop areas, and high-quality integrated appliances. A large window offers views over the rear garden, while bi-folding doors open onto the outdoor space, seamlessly blending indoor and outdoor living. Adjoining the dining area is an additional, versatile reception room, currently used as a snug/music room. The original wooden flooring continues here, enhancing the sense of flow and cohesion. On the first floor, you will find a well-sized double bedroom overlooking the rear garden, along with a truly exceptional principal bedroom at the front of the property. This luxurious room boasts generous proportions, a bespoke walk-in dressing room, and a beautifully appointed en-suite bathroom.

The second floor has been reconfigured to create two further spacious double bedrooms and a stylish family bathroom. Finally, the top floor offers a large double bedroom with its own en-suite bathroom.

OUTSIDE

The rear garden is a good-sized, low-maintenance space, fully decked and featuring a sunken hot tub and outside tap. Planting beds run along the edges, adding greenery and definition. At the front, there is a small, attractive garden with a path leading directly to the front door.
