DESCRIPTION

St Mabyn is a beautifully presented detached Victorian house offering generous and flexible accommodation arranged over three floors, extending to just over 2,190 sq ft. The property has been tastefully restored and improved, blending elegant period detail with high-quality modern finishes. Features include high ceilings, sash windows, ornate fireplaces, parquet flooring and Italian Carrara marble worktops in the kitchen. The property enjoys an attractive front garden, a charming stone-walled rear garden, on-street parking, and a private garage opposite.

ACCOMMODATION

A traditional front door opens into a spacious hallway with original parquet flooring, high ceilings and an understairs cupboard. The elegant sitting room features a bay sash window and a striking marble fireplace. To the rear is a dual-aspect study with stable door to the garden, alongside a utility room and cloakroom. The stunning kitchen/dining room spans the depth of the house, with a bay window to the front and bi-fold doors opening onto the rear garden. Fitted with solid oak units and Carrara marble worktops, the kitchen includes a Mercury range cooker, integrated appliances and an open fireplace.

On the first floor, the generous principal bedroom enjoys an ornamental fireplace and a stylish en suite shower room. Three further bedrooms share a beautifully appointed family bathroom with roll-top bath, walk-in shower and separate WC. The second floor offers two further large double bedrooms, one with fireplaces and characterful sloped ceilings and another with an ensuite.

OUTSIDE

The property is set back from the road behind a lawned front garden with a low stone wall and wrought iron railings. A side path leads to a gate providing access to the rear. The walled rear garden is private, enclosed and attractively landscaped. A paved terrace adjoins the house, ideal for al fresco dining, while a pergola clad in Clematis, Roses and Wisteria creates a focal point leading to the lawned garden beyond. The garden is planted with a range of established shrubs and perennials, with a gravelled upper seating area enjoying the afternoon sun. Stone walling defines the boundaries and creates a tranquil and secure setting.

On-street parking is available opposite the house without restriction, and a private garage provides additional parking or storage.
