DESCRIPTION

Built by the current owners, The Old Forge is a beautifully presented and thoughtfully designed detached home, offering light, spacious and flexible accommodation arranged over three floors. Designed as an "upside-down" house, the principal living spaces are positioned on the upper floors to make the most of the wonderful outlook over Kennford and the surrounding Devon countryside.

With five double bedrooms, an open plan kitchen/dining/living area, multiple en suites and a large top-floor family/games room, the property lends itself perfectly to family life and entertaining. Finished to a high standard, the home combines contemporary comfort with a layout that maximises both space and views.

ACCOMMODATION

The property is approached via an entrance porch opening into a welcoming hallway, with a grand staircase rising to the first floor. The ground floor offers three double bedrooms, including a spacious principal bedroom with a luxury en suite bathroom featuring a jacuzzi-style bath and walk-in shower. A Jack and Jill shower room serves two of the bedrooms, while a separate cloakroom/WC completes this level. To the rear, a useful utility room provides plumbing for white goods and a sink unit.

The first floor hosts two further double bedrooms, each with en suite shower rooms. At the heart of the home is the impressive open plan kitchen/dining/living room, a superb space for family living and entertaining. Expansive front-facing windows flood the room with natural light and frame the far-reaching views. The kitchen area is fitted with a comprehensive range of units and integrated appliances, with ample space for a large dining table and relaxed seating area. To the rear, a half landing with patio doors provides direct access to the garden.

The top floor is a versatile open-plan space currently arranged as a games room, office and cinema area, offering scope for a variety of uses.

OUTSIDE

To the rear, the garden is elevated to maximise the views, with distinct areas including a decked terrace ideal for al fresco dining, and a generous lawned section. The lawn wraps around the side of the property, offering potential for further development or alternative access (subject to the necessary consents).
