The town of Crediton (3.5 miles) has a comprehensive range of day-to-day amenities with a shop, medical centre, pub, church and Queen Elizabeth's School (Ofsted Good). The nearby city of Exeter (11 miles) together with two railway stations to Waterloo and Paddington also offers an extensive range of facilities, along with an international airport. There is excellent access to the A30 (3.1 miles), leading west to Cornwall and east to Exeter and the motorway network. A few miles to the south is the Dartmoor National Park which has many thousands of beautiful, unspoilt acres in which to pursue a number of country pursuits.

DESCRIPTION

A superb opportunity to develop four highly desirable bungalows, the building plots at Franklands Cottage benefit from full planning permission and offer the chance to create a bespoke collection of single-storey homes, each with private gardens and parking. Situated in a peaceful yet accessible position, the site lies just outside the popular village of Yeoford. Originally approved under Class Q, the site now has the benefit of a full fallback planning permission for the construction of four bungalows. The approved scheme comprises three terraced bungalows and one link-detached bungalow, offering a mix of 2 and 3 bedroom accommodation totalling approximately 463 sqm. An ideal prospect for developers seeking a well-located, high-quality scheme.

PLANNING CONSENT

On the 17th April 2025 planning consent (Ref; 24/01570/FULL) was obtained for the erection of 4 dwellings and associated works following demolition of an agricultural building utilising the Class Q fallback position 24/00371/PNCQU. Further information and a full list of the conditions can be found on the Mid Devon planning portal.
