DESCRIPTION

Millfield House is believed to date back to the 1990s and has been significantly modernised and extended to provide a superb village house which offers immense potential for a variety of uses. The accommodation has been remodelled and finished to a particularly high standard. The exterior of the house has been completely clad to create a New England style of property surrounded by beautifully landscaped gardens which extend to approximately 1 acre.

SITUATION

The property is located near the village edge and lies approximately 2 and a half miles from Taunton. This favoured village has local amenities including a regular bus service, primary school, popular pub and parish church. Taunton's mainline railway station lies just minutes away as well as the M5 Junction 25 to the East of Taunton. The town provides a wide range of commercial shopping and scholastic facilities, including 3 public schools. The village is set alongside beautiful countryside at the foot of the Quantock Hills, in a designated area of outstanding natural beauty with a range of footpaths and bridleways as well as many country lanes, for excellent walking, riding and mountain biking.

ACCOMMODATION

The accommodation includes an oak framed entrance porch which opens into the main living room which has solid oak flooring, a wood burning stove and bi-folding doors. A further door leads into the kitchen / dining room which is fitted with a range of matching wall and base units and incorporates an integrated dishwasher and 6 door aga, with island unit, contemporary tiled flooring and 2 sets of bi-folding doors which open out onto the sun terrace. There is a utility area with separate WC and shower room to one side, and stairs to the first floor. From the kitchen, the door leads off to a snug. On the first floor there are 6 double bedrooms, 2 of which enjoy en-suites and balconies. There are also 2 family bathrooms, both of which have been replaced over recent years and 1 of the bedrooms is currently used as a study.

The annexe has an oak framed porch with zinc roof above, opening through to a dual aspect sitting room which has a wood burning stove, wonderful oak framed interior with exposed A frames and beamed ceilings and windows overlooking the rear terrace. Doors lead off to a bedroom with an en-suite wetroom. On the opposite side of the sitting room is a stunning kitchen which includes a 6 door aga, island unit, period log burning stove and 2 sets of French doors leading to the outside. Adjoining the kitchen is a double bedroom with dressing room and en-suite wet room and would suit a dependent relative or provide a useful additional income for holiday letting purposes.

OUTSIDE

Adjacent to the house is a party room with built-in bar, exposed timber flooring, woodburning stove, kitchen and wet room to one end. This building could suit a variety of other purposes including a games room, home office or could be converted to provide further accommodation if required, subject to planning consent.
