The current owners have converted the garage into a bedroom, have extended the kitchen into a kitchen/diner and converted the attic into a bedroom with dressing area. The property is believed to have been built in the 1990's and is the latest development in Ruishton. There is driveway parking for approximately three cars and a small garden at the rear with astro turf, patio and shed.

SITUATION

Ruishton is a highly popular village which is situated in the Eastern side of Taunton. There are a range of local amenities which can be found in the nearby village of Creech St Michael and the house has very easy access to Taunton which provides an extensive range of facilities. The M5 motorway and the park and ride at junction 25 are a short distance away and Taunton also offers a mainline railway station with direct links to London Paddington. The surrounding area has beautiful countryside with miles of footpaths and there is easy access to the Taunton and Bridgwater Canal.

ACCOMMODATION

A covered porch from the parking area leads to the front door and the entrance hallway with turning staircase to first floor, door to sitting room with front aspect window, exposed wooden floor, door to downstairs storage cupboard. The kitchen is fitted with a range of matching wall and base units and has been extended to provide a kitchen/diner. There is a door to bedroom 5/studio/office which was once the garage with window to rear.

To the second floor there is an attic bedroom with double aspect Velux windows and door to dressing room with Velux window.

OUTSIDE

To the front of the property there is a brick paved and tarmac driveway providing parking for at least three vehicles and a covered area leading to the entrance hall and bedroom 5/office.
