DESCRIPTION

Laurel House is an attractive 17th century Grade II Listed attached village house which stands in the centre of Bishops Hull. The house is believed to have origins dating back to the 17th century and includes period features and has versatile and well proportioned accommodation arranged over two floors. The house has off road parking for a number of vehicles and includes a superbly landscaped gardens with an office/studio which could be converted further for a variety of uses subject to planning consent.

ACCOMMODATION

The accommodation includes a front door leading in to an entrance hallway with wide staircase leading to the first floor and doors to either side leading to the reception rooms. The sitting room has French doors leading out on to the rear garden and window to front; there is an open fireplace with inset wood burning stove and an attractive surround and exposed wooden floors. The dining room has French doors opening out on to the rear garden with window to the front and an open fireplace, exposed wooden floors. The kitchen is fitted with a range of matching wall and base units and includes quarry tile floor, double drainer sink unit, space for cooker and space for fridge/freezer. There is a separate utility area with a second staircase leading to a bedroom, door to rear garden and door to downstairs cloakroom.

On the first floor, in the main part of the house, there are three good sized bedrooms and a fitted family bathroom suite. Accessed via the second staircase is a further bedroom/studio with dual aspect windows. The house offers well proportioned accommodation, but is now in need of some general improvement and as such would make a superb family house.

OUTSIDE

At the front of the house there is a large gravel parking area enclosed to the front by conifer hedging which provides a good degree of privacy. The rear garden is a delightful feature of the property and is lovingly landscaped over the years and is predominantly laid to lawn with planted herbaceous borders, box hedging, a number of fruit trees and other specimen shrubs and plants. Within the garden is an office/studio with twin Velux windows and further window overlooking the rear garden - this could be used for a variety of uses subject to the necessary planning consent. There is a tool shed attached to the back of the property and a veranda runs along the rear of the house.
