DESCRIPTION

A well presented four bedroom detached chalet property of brick and block construction under a tiled roof. The original structure dates from the early 1950s and has been sympathetically developed by the current owners over the last forty years. The property sits within a walled garden dating from the nineteenth century and benefits from outbuildings including a traditional greenhouse, a summerhouse and a double garage.

ACCOMMODATION

Access via a quarry tiled front porch to the hall, off which is the kitchen/dining area with multi-fuel stove on a slate hearth. The fully fitted kitchen has a range of base and full height units housing hob, oven, microwave, fridge, larder units and double sink. Off the kitchen is a utility room with base and eye level units, sink, freezer, dishwasher and washing machine. The adjoining cloaks area has a rear door with access to the outside. Also off the hall is the sitting room with multi-fuel stove on a slate hearth. This leads through to the garden room with bi-fold door access to the garden. The property benefits from four bedrooms split over ground and first floors, as well as two fully fitted bathrooms, one on the ground floor and an en-suite to the main bedroom upstairs.

OUTSIDE

Adjoining the rear of the property is a boiler room with oil-fired appliance. This is adjacent to the double garage with integral store room with WC and adjoining log store/seating area. The property is surrounded by the walled garden of approximately one third of an acre, comprising mixed potager, tree, shrub and ornamental grass areas.
