DESCRIPTION

This charming Victorian style farmhouse blends traditional character with modern living, offering plenty of space for family life. The property has been sympathetically remodelled over time, providing a practical yet stylish layout. This spacious former farmhouse has three double bedrooms, three reception rooms, a large conservatory with, outside, extensive outbuildings, pasture land and gardens extending to approximately 3.25 acres.

ACCOMMODATION

The storm porch leads into a welcoming entrance hall with ceramic tiled flooring. To one side is a generously sized downstairs shower room with heritage-style suite and chrome towel radiator. At the heart of the home is the open-plan kitchen, dining and family area, flooded with plenty of natural light from windows and French doors overlooking the garden, and fitted with contemporary units, granite-effect worktops, an oil-fired AGA for that farmhouse feel, plus an integrated electric hob and oven.

The flexible layout also includes a step-up reception room – ideal as a formal dining space, playroom, or snug, an inner hall with understairs storage cupboards for coats and boots, and oil-fired central heating boiler and two further reception rooms with feature fireplaces, one with a woodburning stove, leading to a spacious Amdega conservatory with decorative tiled floor and patio doors overlooking the lawned gardens.

Upstairs, a galleried landing leads to three generous double bedrooms, two with original Victorian fireplaces, and a family bathroom with shower-over-bath and airing cupboard.

There is also potential to extend at the rear (subject to planning consent).

Approached via a sweeping tarmac drive with duck pond and open field views, the property enjoys a truly tranquil setting. The driveway gates open onto

a substantial parking & turning space with a stone barn (ripe for conversion, STPP - see Agent's Note below), a modern open-fronted barn / double car port, additional barns & stables including three loose boxes.

Gates lead to a 2.5-acre paddock, ideal for horses or livestock, and to the mature gardens surrounding the farmhouse.

The gardens are mainly laid to lawn with hedgerows, mature trees, a Magnolia, and a timber arbour with honeysuckle and vine and are fully fenced and dog proof. A flagstone patio makes the perfect spot for outdoor entertaining.
