Atlantic View is well positioned to enjoy both north and south coasts of Cornwall at Carbis Bay and Mounts Bay and there is a footpath, as well as a bridleway for the riding enthusiast, which lead out from the property. The nearest town is Camborne about 3 miles to the north-east where there are junctions onto the A30(T), as well as a station on the London Paddington line.

THE BUNGALOW

The bungalow offers comfortable and well laid out accommodation which is aligned to take advantage of the tremendous views from the front Conservatory Room, Kitchen and Bedroom 2.

The front door opens to an inviting Entrance Hall with Hallway off. The main Reception Room is a well-proportioned Living Room with timber oak floor, brick arched fireplace with granite hearth and surround and with inset multi-fuel burner, and from which there are wide sliding glazed doors which open to a long front Conservatory Room with slate flowerpot shelving and triple aspect taking in the views.

Off the Living Room is a spacious Dining Room with access through to the Kitchen with a matching range of pine base and eye level units with stainless steel single drainer sink unit with polished granite worktops and with stainless steel sink unit with vegetable bowl and mixer tap, inset LPG gas rings with extractor hood over, space and plumbing for dishwasher and space for wide freestanding refrigerator freezer. Off the Hallway are three Bedrooms and a fully tiled Bathroom with P-shaped spa bath with shower and screen over, wc, modern vanity washbasin and chrome heated towel radiator and radiator. In the Hall is a trap to the roof space into which it is considered there is good potential to extend the existing accommodation if desired - subject to all necessary consents and improvements.

Outside, immediately to the front of the bungalow is a paved seating area with walled boundary and ornamental pond and, wrapping around the bungalow, are lawn gardens with Cornish hedge and shrub borders. The garden is enclosed and dog friendly.
