SITUATION

The Roseland Peninsula is a designated Area of Outstanding Natural Beauty and Heritage Coastline on the South Cornish Coast and has been a well loved and popular holiday destination for generations. Owned by the National Trust, Pendower is a south facing beach which joins neighbouring Carne Beach at low tide to create a long stretch of fine sand with plenty of space. Above Carne Beach is the luxury Nare Hotel with restaurants and leisure facilities open to non-residents.

A walk along the south-west coast path takes you to Rosevine and the much revered 'Hidden Hut' Cafe at Porthcurnick Beach. Just a little further along the path is the popular harbour village of Portscatho where there are a range of local amenities including a pub and restaurants. St Mawes needs little introduction as one of the most exclusive water fronting villages in the UK, popular with the yachting fraternity and home to marine facilities together with a number of restaurants, pubs and local shops. A short stroll from the property is Pendower Farm Shop, renowned for its fresh fish and shellfish alongside locally reared meat and vegetables.

THE PROPERTY

1 Pendower Court is one of just seven apartments in this stunning front-line building that was converted in 1999. Located on the top floor, this fabulous apartment has been thoughtfully re-appointed by the vendors and enjoys a magnificent broad panorama, extensive communal grounds and the luxury of private steps descending from the gardens to the beach itself.

Beautifully presented throughout, this light and airy apartment has a 'grandstand' view across Gerrans Bay and miles of this picturesque coastline. Approached through a communal entrance hall, stairs rise to the upper floor and the apartment. The kitchen/breakfast room and the well-proportioned sitting room/dining room both make the most of the vistas with picture windows facing directly out to sea. The two bedrooms (one en-suite) and the bathroom are located to the rear of the building overlooking the gardens.

It should be noted that whilst the property can be occupied as a main residence or holiday home, holiday letting of the apartments is not permitted.

OUTSIDE

Pendower Court is accessed over a long private driveway, flanked by established grounds incorporating mature trees, shrubs, areas of lawn and a stream. At the head of the driveway is a block of garages with one allocated to this apartment. To the side of the main building is also one allocated parking space. Visitors parking area is also available.

To the front of the building is a broad swathe of sloping lawn from where there is a flight of steps descending to the beach.
