M.Coleman are delighted to bring to the market this well-presented three-bedroom mid-terrace home, located on the popular and convenient Willis Road in Kingswood. Offering spacious accommodation and the potential for further development, this is a property sure to appeal to a wide range of buyers. The ground floor welcomes you with an entrance hall that leads to a comfortable lounge positioned at the front of the property, a lovely space to relax and unwind enhanced by a 'Living Flame' gas fire. To the rear is a bright and airy kitchen/dining room offering ample space for family meals and entertaining, with a layout that maximises practicality and flow. A range of wall and base units offer copious storage; there is an integrated gas hob, double oven and extractor plus space for a washing machine, dishwasher and American style fridge freezer. French doors lead from the dining area to the garden and a further door opens to a useful understairs storage cupboard.

To the first floor are three bedrooms, two of which are well-proportioned doubles, along with a third single bedroom that would make an ideal child's room, study or dressing room. A modern bathroom completes the internal accommodation, featuring a contemporary suite with mains plumbed shower over the bath. The rear garden is an attractive and low-maintenance space with a sleek dark grey porcelain patio and a level lawn—perfect for al fresco dining or simply enjoying the outdoors. A garage, accessed via a lane to the rear, offers secure parking or valuable storage. To the front, the property is set back behind a lawned garden with a path to the front door.

Many neighbouring properties have created off-street parking to the front, and this home offers the potential to do the same, subject to the necessary consents.

Ideally located for access to the wide range of shops, cafes and amenities in Kingswood, this property is also well placed for local schools and commuter routes.
