THE MILK HOUSE

A Hidden Gem in a Tranquil Rural Setting:

Nestled in a beautifully secluded rural location, this charming period home offers uninterrupted views over open fields to the rear and exquisitely landscaped gardens to the front. Brimming with character and dating back to the 1800s, the property seamlessly blends historical charm with the comforts of modern living. Set within approximately 0.6 acres, this cherished home is a rare opportunity for a family seeking space, serenity, and timeless appeal.

Thought to have been built in the 1800s, the residence is full of character and generously proportioned throughout—making it ideal for a growing or established family. Versatile in layout, the home also lends itself perfectly to multi-generational living, with a ground floor bedroom, a spacious and adaptable bathroom, and a reception room currently serving as a practical boot room.

One of the standout features is the stunning sunroom with its pitched ceiling and exposed beams—a peaceful haven flooded with natural light and overlooking the private garden. Throughout the home, original Victorian fireplaces, exposed wood flooring, ceiling timbers, and charming cottage-style uPVC windows (some with window seats) preserve its heritage while catering to contemporary expectations.

Outside, the grounds offer multiple well-planned parking areas, including a gated section ideal for caravans, boats, or larger vehicles. A nearby barn, equipped with an electric supply, offers excellent potential for conversion or workshop use. Closer to the house, a spacious gravelled area provides ample parking for everyday needs.

The mature gardens, backing directly onto open countryside, offer a safe and idyllic environment for children and pets to explore. Despite its peaceful rural setting, the property enjoys convenient access to the nearby town, striking a perfect balance between countryside living and everyday amenities.

This truly unique home offers a lifestyle opportunity that rarely comes to market. Early viewing is highly recommended to fully appreciate all it has to offer.
