Property Description

Approaching the property, you're welcomed by a meticulously maintained lawn and hardstanding off-road parking for multiple vehicles. A composite double-glazed door, flanked by a glazed side panel, opens into a warm and inviting entrance hall adorned with laminate vinyl tiles arranged in a herringbone pattern, you'll also find access to a ground floor WC.

The lounge, a snug retreat, showcases tall ceilings, elegant skirting boards, and a bay window flooding the room with natural light and framing the captivating views of Tower Hill. An aesthetically pleasing wall-mounted electric fire sets the tone for cosy family evenings, perfect for movie nights.

The heart of the home, the open-plan kitchen, living, and dining area, is adorned with Karndean floor tiles and enhanced by downlighting to create a welcoming ambiance.

The kitchen features a blend of wall and base-mounted high-gloss units with brushed steel handles, complemented by a stylish worktop and breakfast bar. Integrated appliances include a double oven/grill, a five-ring gas hob, dishwasher, and undercounter fridge and freezer. An open arch leads to a utility room equipped with a useful larder cupboard and an extra sink, along with plumbing for a washing appliance.

The living and dining area, with its glazed aspect to the rear, bathes in natural light and provides ample space for a sofa, a large dining table and chairs, and a sideboard, creating a perfect environment for family meal time.

Ascending to the second floor, you'll find the primary bedroom, a bright and spacious haven with Velux windows and additional storage options located in the eaves. The primary bedroom is complemented by a stylish ensuite shower room for added convenience.

Also on the second floor is an additional room, currently a

dressing room but versatile enough to be a home office or an additional bedroom.

Back to the first floor, a spacious landing hosts a useful linen cupboard housing the water tank.

The second bedroom offers ample room for a king-size bed, along with additional bedroom furniture, and features a part-tiled ensuite shower room, fitted wardrobes, and once again, those captivating views.

Tastefully decorated, the third bedroom provides a comfortable space with a pleasant outlook onto the rear garden.

Bedrooms four and five are generously proportioned double rooms, offering ample space for bedroom furniture.

The family bathroom on the first floor boasts a part-tiled design, featuring a hand wash basin, chrome heated towel rail, WC, a bath, and a separate walk-in shower cubicle.

French doors from the living/dining area open onto a paved patio, where a pergola has been erected by the vendors, ensuring privacy for the potential installation of a hot tub. The remainder of the garden is designed for low maintenance, featuring a mix of stone chippings with brick borders, artificial turf, and an additional patio area with sandstone tiling. Timber fencing encloses the garden, ensuring safety and security, while side access from the utility room leads to a pathway on the side of the property.
