## Description

The ground floor currently functions as a Class A1 retail unit, featuring an expansive open-plan layout spanning 158.13m<sup>2</sup>. This space is complemented by ancillary storage areas, a small staff kitchen, and a staff WC, making it ideal for a variety of business ventures or potential residential conversion.

Ascending to the first-floor living accommodation, you are greeted by an expansive open-plan lounge and dining room, seamlessly connected by an open archway. This light-filled space, thanks to large aspect windows, can easily be reconfigured into separate lounge and dining areas with the addition of a partition wall.

The kitchen is a chef's delight, fitted with a blend of wall and base-mounted timber units, stylish worktops, and a tiled splashback. It boasts a range of integrated appliances, including an electric oven and grill, a five-ring gas hob, an integrated fridge freezer, a washing machine, and a dishwasher, making it both functional and aesthetically pleasing.

The family bathroom exudes contemporary elegance with fully tiled walls, spotlights, wood-effect LVT flooring, a large shower cubicle with an electric shower, a freestanding bathtub, a hand wash basin, a bidet, and a WC. Additionally, a storage cupboard provides ample space for linens and houses the water tank.

The primary bedroom is a spacious and inviting retreat, featuring English oak fitted wardrobes, ample space for a

chest of drawers, and a double bed.

The second bedroom, currently serving as a secondary reception room, can easily be transformed back into a bedroom. It benefits from dual aspect windows that flood the space with natural light, and a quaint fireplace with a tiled surround and timber mantle adds a charming touch.

The third bedroom is a well-proportioned double room with enough space for a double bed, bedside cabinets, and freestanding wardrobes.

A useful porch area leads to a stunning timber decked terrace, which enjoys a south-easterly aspect and plenty of afternoon sunshine. From the porch, a staircase ascends to a substantial 17m-long loft space, currently utilised as a games room. This versatile area could be transformed into multiple rooms, providing additional bedroom space, living areas, or even a home office.

Outside, the property boasts a well-maintained private garden, bordered by secure fencing and flourishing flower beds, offering a serene and secure outdoor space.

This property presents an incredible opportunity to create a bespoke living space or to continue its use as a mixed-use business property. Its flexible layout and potential for redevelopment make it a rare find in today's market. Don't miss out on the chance to make this unique property your own.
