Property Description

As you arrive, you are welcomed by a sweeping lawn that wraps around the front of the property, creating a sense of openness. Hardstanding off-road parking for multiple vehicles is provided by a spacious driveway that also leads to a single garage, ensuring ample parking and storage options.

A paved pathway guides you to the uPVC front door, flanked by glazed side panels, which opens into an entrance vestibule. Here, you'll find a useful storage cupboard and the central heating boiler neatly tucked away.

The heart of the home is the spacious lounge/dining room, featuring dual-aspect windows that flood the space with natural light. This versatile area offers plenty of room for comfortable seating, sideboards, and a dining table, perfect for entertaining family and friends.

The kitchen, accessed from the entrance hallway, designed with a mix of wall and base-mounted units, complemented by a tiled splashback. Integrated appliances include an electric oven and gas hob, and there's ample space for a washing machine, tumble dryer, and an American-style fridge freezer.

A second internal hallway from the lounge leads to the bedroom accommodation, where a generous open storage cupboard offers practical space for everyday essentials.

The primary bedroom is positioned at the rear of the property, overlooking the rear garden. With coved ceilings, ample room for a double bed and bedside tables, plus additional space for a dressing table and chest of drawers, it's a restful retreat. The room benefits from a fully tiled en-suite shower room, complete with a WC, hand wash basin,

shower cubicle, and a heated towel rail.

The second bedroom is a spacious double room with coved ceilings, garden views, and plenty of space for freestanding wardrobes, making it ideal for guests or family members.

The third bedroom, a well-proportioned single room, is currently utilised as a dressing room but could easily serve as a home office or a nursery.

The primary bathroom features a fully tiled finish, an open shower cubicle with a rainfall showerhead and handheld diverter, a floating hand wash basin with storage beneath, a WC, and a heated towel rail.

The southeast-facing garden is a private suntrap, accessible via a timber gate down the driveway. Laid mostly to lawn and bordered by a mix of timber fencing and a brick wall, it provides a secure and serene outdoor space. A paved pathway encircles the garden, offering convenient access to the property's perimeter and the single garage, which has a side door for easy entry.
