**Property Description**  
As you arrive, you are greeted by a brick-paved driveway providing generous off-road parking for multiple vehicles. A charming open canopy porch shelters the composite double-glazed front door, which leads you into the home.

Step into the inviting entrance hall, where sleek tiled flooring sets a stylish tone. A handy under-stairs storage cupboard provides space for household essentials and houses the central heating controls. The hallway also offers access to a modern, partially tiled ground-floor WC, complete with a vanity hand wash basin for added convenience.

The lounge is a spacious and airy, filled with natural light and laid with wood-effect ceramic floor tiles for a contemporary touch. Coved ceilings add charm and character, while a standalone stone hearth provides the perfect spot for an electric fire or a gas flame fireplace, with a gas point already installed.

To the rear of the lounge, a timber door opens into a versatile second reception room, currently used as a dining area and home office. This space enjoys views over the rear garden and connects seamlessly to the kitchen, offering both practicality and flow.

The kitchen has been stylishly upgraded with high-gloss, handleless wall and base units, enhancing the clean, modern aesthetic. Cream brick-style tiled splashbacks and brushed steel fittings complement the design, while integrated NEFF appliances, including an induction hob, electric oven, microwave& grill with warming drawer, and slimline dishwasher, provide convenience. A pull-out larder unit, integrated fridge-freezer, and breakfast bar add both function and style to this impressive space.

From the kitchen, integral access leads to the garage, which offers ample storage space and room for an additional fridge-freezer. The garage features a manual up-and-over door and houses the central heating boiler and electrical consumer unit.

Ascending the staircase to the first floor, you're welcomed by a spacious landing with access to the insulated loft space. A generous airing cupboard also provides storage for towels and bedding, keeping the space tidy and organised.

The primary bedroom offers ample space for a double or king-sized bed alongside freestanding furniture and wood effect laminate flooring. The room enjoys delightful views of the woodlands, while a fully tiled modern en-suite enhances functionality with a shower cubicle powered by an electric shower, a vanity hand wash basin, and a WC, complete with an

electric shaver point.

The second bedroom is equally impressive, offering a similar outlook onto the wooded hillsides. Spacious enough for a double or king-sized bed and freestanding furniture, it is finished with stylish wood-effect laminate flooring.

The third bedroom, also laid with wood effect laminate flooring, is a generous double room featuring sliding fitted wardrobes and space for additional furniture, while enjoying pleasant views of the popular Abergele Tower Hill forestry.

The fourth bedroom, versatile in its design, can serve as a single bedroom, home office, or dressing room. A wall of mirrored fitted wardrobes provides excellent storage, while an alcove offers space for a single bed or could be adapted into a built-in desk area—perfect for those working from home. An above-stair storage cupboard completes the room, offering further practicality.

The family bathroom continues the contemporary theme, featuring a fully tiled design with a P-shaped bath and a boiler-fed overhead shower, complete with a clear glass screen. A chrome heated towel rail, a hand wash basin with storage beneath, and a WC complete this modern space.

The garden, accessible via the kitchen, has been designed for both relaxation and practicality. Steps lead onto a paved patio area that extends to the rear of the garden where space is provided for a timber shed. A neatly fenced-off lawn provides a safe and secure play space for children, while a generous stone-chipped area adds further versatility, and a centralised paved area is ideal for alfresco dining. Bordered by timber fencing for privacy, the garden enjoys a sought-after southeast-facing aspect, offering plenty of sunshine from morning to afternoon.

This property further benefits from double glazing throughout, gas central heating, and security lighting installed at the front, side, and rear for added peace of mind, and an outside tap in the garden. Additionally, for those working from home, the vendor informs us that full fibre broadband is available, ensuring fast and reliable connectivity.

Situated in one of Abergele's most desirable residential areas, this quiet cul-de-sac offers peace and convenience in equal measure.
