Property Description

The property is approached via a spacious hardstanding driveway offering off-road parking for multiple vehicles, which continues along the side of the bungalow. The front garden complements the home's appearance with stone chippings bordered by mature shrubbery, creating privacy.

Step inside through the PVC double-glazed door into a welcoming L-shaped entrance hallway, laid with stylish wood-effect laminate flooring that continues seamlessly into the principal living areas. A generously sized storage cupboard sits just off the hall, housing the electric meter and fuse board—perfect for keeping every day items neatly tucked away.

The heart of the home is the open-plan lounge-diner, a bright and tastefully decorated space illuminated by dual-aspect windows that bathe the room in natural light. A gas flame fire, framed by an ornate timber mantel and a stone hearth, offers a warm and cosy focal point—perfect for relaxing evenings in.

From here, a second inner hallway leads to the primary bedroom—a spacious double room that benefits from a handy storage cupboard housing the central heating boiler. Thanks to its westerly aspect, the room is filled with afternoon sunshine and has ample space for wardrobes and additional bedroom furnishings.

The kitchen overlooks the rear garden and is fitted with a practical mix of matte-finish wall and base units, offering plenty of storage and worktop space. Integrated appliances include an electric oven and a four-burner gas hob, while designated areas provide room for a washing machine, tumble dryer and a freestanding fridge-freezer.

At the front of the property sits a well-sized double bedroom with plenty of room for freestanding furniture, while the second bedroom—also a generous double—enjoys an aspect onto the side driveway, making it an ideal guest room, study, or hobby space.

The bathroom has been beautifully updated in a modern style, fully tiled for a sleek finish. It features a large walk-in shower with a rainfall head and separate handheld attachment, a WC, a floating vanity unit with under-sink storage, a backlit mirror, and a contemporary anthracite towel rail.

Step outside into the sun-soaked rear garden, which enjoys a bright southwest-facing aspect and is designed with low maintenance in mind. A combination of paving and slate chippings offers multiple areas to dine or relax in the sun, and two sizeable timber sheds provide excellent outdoor storage—both of which are included in the sale. There's also convenient access to the garage from the garden, which is equipped with a manual up-and-over door.

This home offers a fantastic blend of comfort, practicality, and location, making it a perfect choice for those looking to enjoy coastal living with minimal fuss.
