Property Description

The property boasts extensive parking for multiple vehicles, with the added benefit of a carport providing shelter. The driveway is hardstanding and flanked by a neatly maintained stone-chipped area and a well-manicured front lawn. Flowerbeds border the space, offering the opportunity to add a burst of seasonal colour.

A charming front patio area, bathed in afternoon and evening sunshine, creates a perfect spot to sit and relax. From here, an aluminium double-glazed front door opens into a welcoming entrance porch, laid with wood-effect laminate flooring.

Step through a timber door into a spacious and inviting lounge, a bright and airy retreat filled with natural light courtesy of the large front-facing window and its desirable south-west aspect. The room is generously sized for lounge furniture and features a prominent chimney breast housing a gas flame fire with an ornate timber mantel, complemented by a tiled surround and hearth.

Beyond the lounge, an open hallway leads to a versatile second reception space. Previously the second bedroom, this open-plan area is perfect for use as a dining room, reading nook, or additional sitting area. Sliding doors provide a seamless flow into a large garden conservatory, which boasts panoramic views of the rear garden. French doors open onto the patio, inviting the outdoors in.

The kitchen is well-appointed with a mix of wall and base-mounted wood-effect units, complemented by a two-tone tiled splashback and classic terracotta floor tiles. Integrated appliances include a gas hob and an electric oven, while ample space and plumbing are provided for both a washing machine and a dryer. A handy breakfast bar

offers additional food preparation space, with room beneath for an undercounter fridge.

The primary bedroom is a spacious and peaceful space, laid with wood-effect laminate flooring and offering a pleasant view onto the rear garden, while there is plenty of room for a double bed, freestanding wardrobes, and a chest of drawers. A handy built-in cupboard with shelving provides additional storage for linens.

The property has been thoughtfully extended to the side, creating a second bedroom that is a generously sized double, offering space for a king or double bed along with freestanding furniture.

The bathroom is fully tiled with a stylish patterned border and fitted with a bath, an above-bath gravity-fed shower, a ceramic hand wash basin, and a WC. The room is finished with modern wood-effect laminate flooring.

The rear garden has been designed with low maintenance in mind, featuring a combination of paving stones, stone chippings, and a manageable lawned section.
