Property Description

Approached via a block-paved driveway providing ample parking for multiple vehicles, the property is fronted by a neatly kept lawn bordered by established shrubs, creating an inviting first impression. Step inside through a welcoming PVC porch—ideal for shoes and coats—into a bright and airy hallway with wood-effect laminate flooring that flows seamlessly into the main living areas.

The lounge is a warm and inviting space, decorated in bold modern tones, and bathed in natural light thanks to a large bay window. A feature gas fireplace adds a cosy touch, making it the perfect spot to unwind in the evenings.

To the rear of the property lies the heart of the home—an open-plan kitchen and dining area. Fitted with shaker-style units in a contemporary matte finish, the kitchen offers generous space for a range cooker, fridge, and washing machine. This area flows into a bright and spacious extension with skylights and double doors leading out to the garden. Currently used as a second lounge, this versatile space could easily serve as a formal dining room, children's playroom, or sunroom—whatever suits your lifestyle. Wooden accents and tiled flooring add warmth and character.

A separate utility room provides practical space for additional appliances and includes a downstairs WC for added convenience.

Upstairs, the accommodation continues to impress. The principal bedroom is a generous double, complete with a bay window, built-in wardrobes, and plenty of room for freestanding furniture. The second bedroom is currently set up as a home office but could easily revert to a comfortable guest room or child's bedroom. The third bedroom is ideal as a single room, nursery, or hobby space.

A spiral staircase on the landing leads to a converted loft area, offering flexible use as a hobby room, quiet retreat, or extra storage.

The family bathroom is fully tiled in a stylish two-tone palette and features a jacuzzi bathtub, separate electric shower, and modern fittings.

Step outside to a sun-drenched rear garden that is a true outdoor haven. South-facing and largely laid to lawn, it offers a wonderful setting for summer BBQs, family gatherings, or simply relaxing in peace. A decked terrace provides the perfect spot for outdoor dining, while a covered seating area behind the garage offers a tranquil nook for unwinding after a long day. The single garage itself offers yet more storage options.

This well-presented home ticks all the boxes for modern family living in a scenic and convenient location.
