

This property is for sale by the Modern Method of Auction which is not to be confused with traditional auction. The Modern Method of Auction is a flexible buyer friendly method of purchase. We do not require the purchaser to exchange contracts immediately, but grant 28 days to achieve exchange of contracts from the date the buyer's solicitor is in receipt of the draft contracts and a further 28 days thereafter to complete. Allowing the additional time to exchange on the property means interested parties can proceed with traditional residential finance. Upon close of a successful auction or if the vendor accepts an offer.

Smith & Friends Estate Agents are delighted to market this well presented and deceptively spacious three bedroom mid terrace house.

Which briefly comprises of entrance hallway, lounge/dining area, kitchen/breakfast room, utility, landing, three bedrooms and bathroom/WC. Externally, the property has a forecourt front area which is easily maintained and enclosed yard to the rear. In our opinion a viewing would be highly recommended for young family, first time buyer or rental investor.
